## Time Ontario protects law-abiding gun owners like Saskatchewan and Alberta

### Petition

To the Legislative Assembly of Ontario

**WHEREAS** the federal government has enacted a compulsory confiscation initiative for prohibited “assault-style” firearms;

**WHEREAS** this program is encountering minimal compliance from various law enforcement agencies; however, not all police forces in Ontario are refusing to comply creating a patchwork of approaches;

**WHEREAS** the governments of Saskatchewan and Alberta have provided province-wide protection instead of the patchwork of enforcement in Ontario;

**WHEREAS** Ontario’s Chief Firearms Office refuses to provide an answer to the question of whether it will revoke firearms licenses of those who do not participate in the confiscation.

**Therefore, we the undersigned petition The Legislative Assembly of Ontario to** direct the Ontario Chief Firearms Office to answer the very simple question that has been posed to them with respect to revoking licenses; and for Government to enact policy that will protect law-abiding gun owners just like Saskatchewan and Alberta are doing.
